PROJECTS

- **Personal Portfolio Website** — React, Tailwind CSS, Vite

Designed and developed a professional portfolio website to showcase projects and skills, with a responsive layout that adapts seamlessly to mobile and desktop.

[🔗 Live Demo](#) | [GitHub](#)

- **Six-Gamma Exam Platform** — React, REST API, JavaScript

Built an interactive exam application facilitating six-gamma style quizzes, incorporating dynamic question loading, timer functionality, and result tracking for improved UX.

[🔗 Live Demo](#) | [GitHub](#)

- **CRUD Application** — React, Context API, Local Storage

Developed a full CRUD interface for managing items (create, read, update, delete), using Context API for state management and Local Storage for persistence, ensuring a smooth user-experience.

[🔗 Live Demo](#) | [GitHub](#)

- **JavaScript Exam App** — JavaScript, HTML, CSS

Created a lightweight exam application using pure JavaScript, demonstrating competence in core language features, dynamic DOM manipulation, and responsive design.

[🔗 Live Demo](#) | [GitHub](#)

- **AppStore-UZ Gallery** — React, Tailwind CSS, API Integration

Developed a gallery interface for AppStore-UZ, loading application data via API, and implemented filtering, thumbnail navigation, and responsive grid layout.

[🔗 Live Demo](#) | [GitHub](#)

- **Full Burger App** — React, Firebase/Backend

Implemented a full-scale burger ordering interface featuring interactive menu, add-to-cart functionality, and order overview, focusing on clean UI and scalable component structure.

[🔗 Live Demo](#) | [GitHub](#)

- **Green Store E-Commerce** — React, Tailwind CSS, REST API

Built a green-themed online store platform called "Green Store", with product listing, filters, responsive design and dynamic integration of product API, prioritizing mobile-first UX.

[🔗 Live Demo](#) | [GitHub](#)

- **ProMax Education Platform** — React, Vite, Tailwind CSS

Created an educational platform for ProMax that hosts course listings, user dashboards, and interactive elements. Focused on delivering a modern UI/UX and maintainable architecture.
